Gift Card by Calloway’s Nurseries

Show Schedule Clarification

Where applicable, roses will be exhibited in alphabetical order within each class. All general classes of specimen roses will follow these rules.

Each named rose, within a class, will constitute its own variety. Judging will be against the merits for that variety. Judges may award ribbons for each separate rose variety if considered worthy. There can be one and only one blue ribbon awarded per variety. There are no mandatory awards.

For example, Class 1 (Hybrid Teas) could include: Paradise; Peace; Peach Beauty; and Pristine. Judging each variety is on its own merits and ribbons are awarded accordingly. Only a single Paradise might be entered. It will be judged on its own merits and could receive a blue ribbon.

American Rose Society (ARS) rules and regulations will govern. The Show Chairperson has the final decision for Show Schedule questions not covered by ARS regulations. Judges' decisions are final in determining the merits of roses and the awarding of ribbons.

Colored dots indicating the decision of the judges will be used. Anyone wishing to receive a corresponding ribbon is entitled to do so upon request.

General Rules

1. Only amateur rose growers or arrangers are eligible to exhibit and compete for ribbons, certificates and keeper trophies. The exhibitor need not be a member of any rose organization.
2. A commercial rose grower is eligible to exhibit roses and compete for prizes provided those roses are from his/her own personal garden which is not a part of their commercial business.
3. The grooming area will be open between 7:00 and 11:00 am on the show date. The grooming area must be cleared and vacated by 11:00 am. Entries are accepted only between 7:30 and 9:30 am.

4. The Placement Committee will make all placements unless specified otherwise.

5. All exhibitors must be out of the show area by 9:30 am. During judging no persons other than judges, clerks, judge's chairperson, and Trophies/Awards chairperson are allowed in the show area.

6. The Trophy/Awards Chairperson will check out all trophies. Exhibits, trophies and awards are not to be removed before 5:00 pm. without permission from the Show Chairman. Winner's may request Certificates from a Trophy Committee member on Saturday afternoon.

7. All rose entries become property of the Ft. Worth Rose Society. The show committee may at any time remove an exhibit that has deteriorated to the point where it detracts from the quality of the show.

8. The Ft. Worth Rose participation as an exhibitor. Containers and accessories, etc. should be out of sight and identified. We take special care to safeguard exhibits. However, the ARS, the Ft. Worth Rose Society, and Botanic Gardens are not responsible for: the loss of, or damage to, entries or property; nor for injuries to persons, not resulting from the direct act of their respective agents. **Liability of any nature is hereby disclaimed.**

Division I & II Rules

1. All entries must include a properly completed American Rose Societies entry tag. Entry tags are available at the show. Entries not in conformance with this schedule or rose show standards face disqualification.

2. ALL EXHIBITORS MUST REGISTER and receive an exhibitor's registration number. Pre-registration is permitted by contacting the Horticultural Registration.

3. Collections requiring multiple separate containers will have one entry tag per container.

4. Current ARS rules that establish type of rose shall prevail. Roses having two or more names in conflict, will use the ARS Exhibition name. Responsibility for proper identification and classification lies totally with the exhibitor.

Judging and Awards: Judging will be in accordance with the current "ARS **Guidelines for Judging Rose Arrangements.**" All decisions of the judges are final. The ARS scorecard will be used to evaluate all entries:

15 points – CONFORMANCE – roses correctly named, type of design, other specific requirements

30 points – DESIGN – all principles: balance, dominance, contrast, proportion, scale

30 points – PERFECTION OF ROSES – and condition of other plant materials

15 points – CREATIVITY AND EXPRESSIVENESS

10 points – DISTINCTION – marked superiority, uniqueness, technical construction

100 points – TOTAL

Back boards are (19 ½ X 31 & 9 ½ X 9 ½.)

Infringement of the following rules will result in severe penalty:

Painted or dyed fresh plant materials and live creatures are not allowed.

The use of plant materials on the state or local conservation list is not permitted.

The American flag or flag of any country may not be used in an arrangement or as a decoration in any way.

There are two causes for disqualification of an arrangement:

Roses not outdoor grown.

Use of artificial plant material.

DIVISION III ARRANGEMENTS RULES

All roses must be outdoor garden grown and must be of high quality.

A rose or roses must be the dominant flower in all arrangements.

The ARS Approved Exhibition Name of all roses in each arrangement must be on the entry tag.

“AG” must be written on the entry tag if roses are arranger-grown so that the entry will be eligible for an ARS high award.

One entry per exhibitor is allowed in each class, but an exhibitor may enter as many classes as desired. More than one exhibitor from the same garden may enter the same class.

Accessories are allowed unless stated otherwise in the schedule.

Flowers other than roses and dried and/or treated dried plant material are allowed unless prohibited in the schedule.

A card of intent may be included with an arrangement as an explanation of the arranger’s interpretation of the theme or class title unless the schedule specifically forbids it.

An arrangement incorrectly placed in a class will be judged in the class in which it is placed.

All entries must be the work of the exhibitor.

No one but the exhibitor may touch or move an arrangement. However, in special circumstances, if all efforts to locate the exhibitor have failed, the arrangement chairman may carefully move an arrangement.

You must register arrangement classes by Thursday, April 30 with Herschell Fortner, 817-292-3705, hforcf@att.net, #'s starting with 100.

Eligible rose varieties include those published in ARS:

- “Modern Roses 12” and Supplements
- “Handbook for Selecting Roses”
- “American Rose” magazine
- Combined Rose List

5. Specimen blooms must be grown, cut and groomed by the exhibitor. **Only one person may exhibit from the family garden in the same class. Couples must enter as one exhibitor.** All entries must be outdoor grown.

6. The Ft. Worth Rose Society provides all containers except as noted below. This includes: English boxes, brandy snifters and other special containers for specified collection classes furnished on a first-come basis.

7. Specimen blooms must be disbudded for Hybrid Tea, Grandiflora and other exhibition types shown, except for single-flowered and semi-double varieties. All other types are exhibited as naturally grown. More info in ARS **Guidelines for Judging Rose**.

8. Only naturally grown foliage may be exhibited. Washing or wiping is permitted and encouraged. No oil, lacquer, dressing, or artificial treatment is allowed.

9. Polyethylene film, aluminum foil, or foam wedges are permitted in the necks of vases.

10. Entries receiving a blue ribbon may qualify for an ARS, South Central District, FWRS Certificate, or Keeper Trophy. Judging is in accordance with ARS rules.

11. Disqualification of entries will be made for:

- a) Misnamed, misclassified, or mislabeled.
- b) Unlabeled entries and entries not containing a registration number
- c) Stem on stem: Specimen roses exhibited with a portion of a previous stem growth attached, except for Old Garden Roses and Victorian Roses.
- d) Presence of a foreign substance applied to the foliage, stem, or bloom to enhance appearance.

- e) Side bud(s) on a specimen requiring disbudding.
- f) The exhibitor's name in any location other than the designated places on the entry tag.
- g) A specimen otherwise in violation of any American Rose Society rule, or in conflict with this schedule.

12. Exhibitors may enter only a single rose per Specimen Class and a single entry per Challenge Class. Exhibitors placing more than a single specimen of the same cultivar, or more than one entry per any Challenge or Collection class automatically disqualifies all their entries in that class, except as specifically noted.

13. No family member of a judge for this show may exhibit. No judge, for this show, may exhibit except in those classes specifically designated "JUDGES."

14. Awards, trophies and certificates awarded in Divisions I and II will be based on blue ribbons only. Red ribbons will be considered in case of a tie on the Sweepstakes award.

15. The Novice classes are open only to those rose growers who have never won a first place ribbon in the horticulture division of an ARS accredited rose show. Exhibitors may enter Novice and regular competitive classes, but may not enter the same variety in both classes.

16. The bouquet classes can use additional plant materials for filler but the judging criteria will be the roses entered.
